Almanac

1959

Kenneth J. Kolb

"Follow your calling, for, however various your talents may be, you can have but one calling capable of leading you to eminence and renown; follow resolutely the one straight path before you."

These words were spoken over 100 years ago by a man who understood the principles of progress. The pioneers who settled Oregon used this same idea of advancement to achieve the goals to which they had aspired. The pioneers who struggled and fought to maintain the land they had developed were the same undaunted ones who shaped the path to the rapidly rising future. To this concept of progress we owe our gratitude. Our praise to the past men of Oregon can never be too high, for it is they who bestowed upon us all that we have today.

Mindful of the past, we dedicate this Almanac to the youth of today, who follow the path of progress toward the "Frontier of the Future."

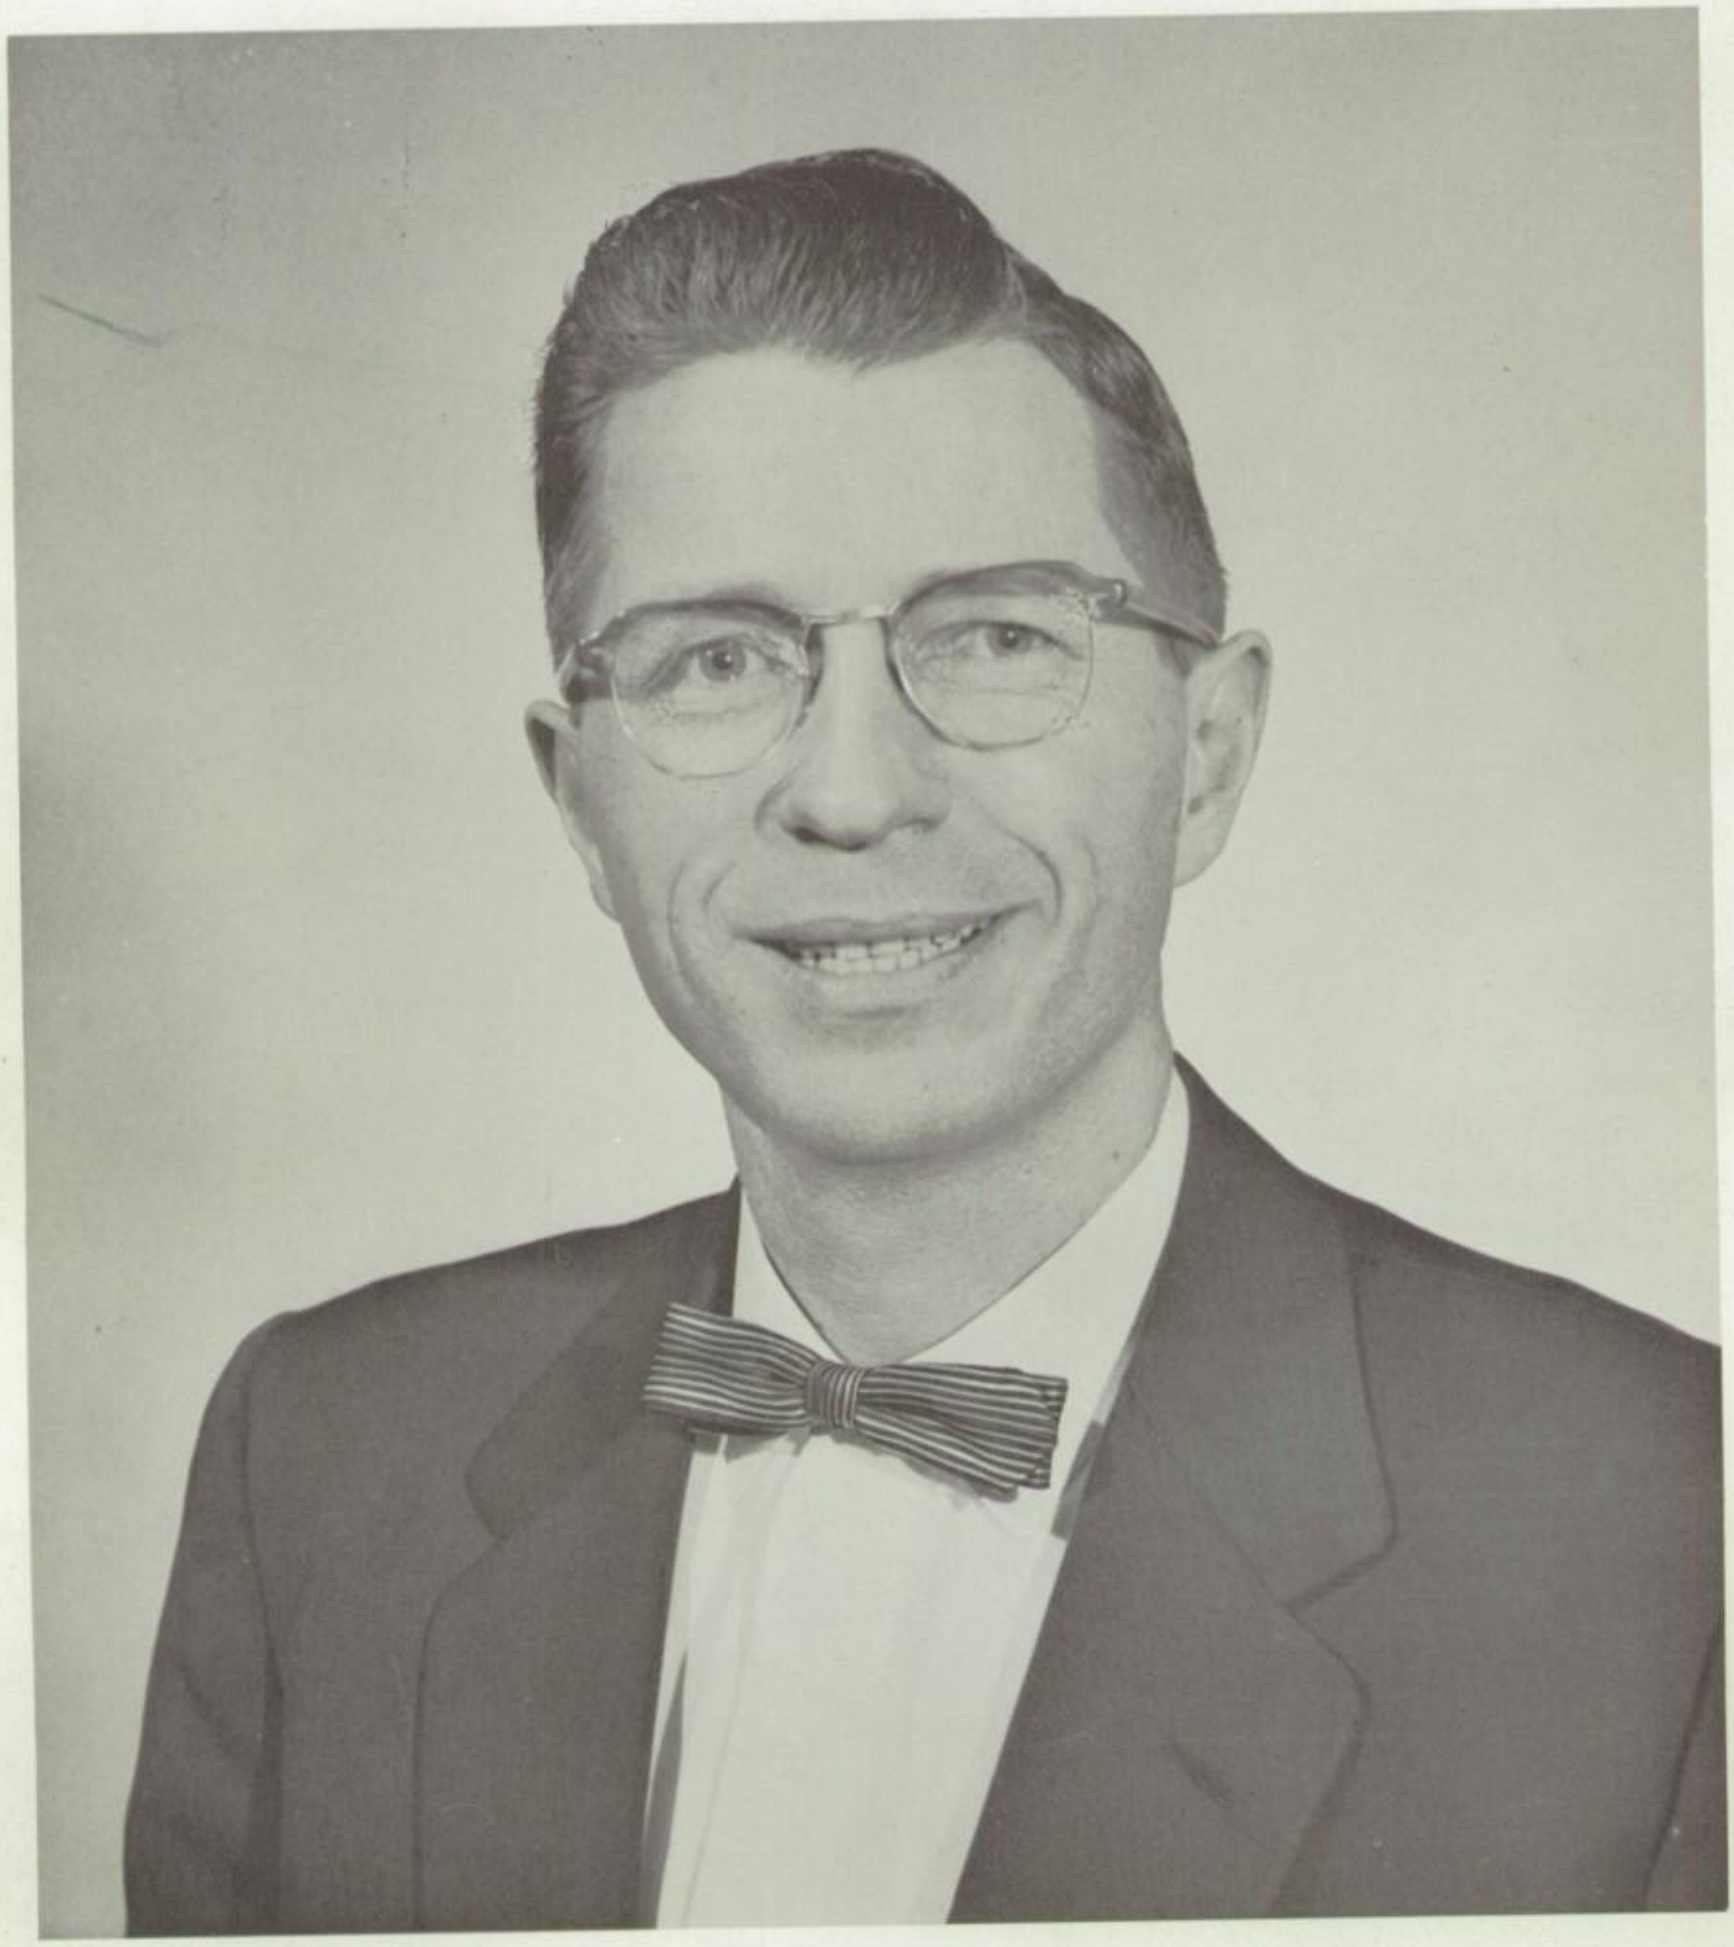
"I have but one lamp by which my feet are guided, and that is the lamp of experience."

—PATRICK HENRY

Franklin's Distinguished Principal



During Dr. Erickson's years at Franklin, his friendliness and sincere desire to aid the students has created an atmosphere conducive to cooperation and learning. His consistant example of **diligence** and study has been appreciated in educational circles throughout the nation as symbolized by his appointment to study in Europe under a Fulbright fellowship. To our devoted principal, we the students of Franklin, wish to express our warmest congratulations and our humblest gratitude.

Franklin's Vice-Principals

The counseling of Miss Grant has proved again this year to be beyond reproach. The girls of Franklin are deeply gratified for the time and patience Miss Grant has devoted to their problems and questions. Miss Grant is never too busy to aid any student in matters of importance. She has won the trust of all students of Franklin.

Mr. Campbell's casual air and wise judgment has proved an asset to all at Franklin this year. His superior sense of humor and understanding qualities have been exemplified through many contacts with problems of the school. Mr. Campbell's excellent performance in a rewarding but difficult job is greatly appreciated by the students of Franklin.

Mrs. Shank's effervescent personality and wise understanding of school affairs has made her the best of curriculum counselors. Her excellent cooperation in school situations has brought great acclaim from all students of Franklin. The school could never run smoothly if it were not for the aid and knowledge of Mrs. Shank.

Franklin

" 'Good teaching has always been personal teaching' is the keynote of our instructional program. Portland encourages teachers to be creative and imaginative within the framework of the overall plan. There are many opportunities for developing new procedures, for using a wide variety of materials, for approaching problems from different points of view, and for challenging pupils to explore new areas of interest." quotation is taken from the Teacher's Handbook pub - lished by the Portland Public Schools, and is particularly applicable to the faculty at Franklin High School where we are fortunate to have a very capable and well qualified staff. Many teachers, in addition to teaching more than one subject, have numerous other activities, such as counseling, heading departments, and advising clubs.

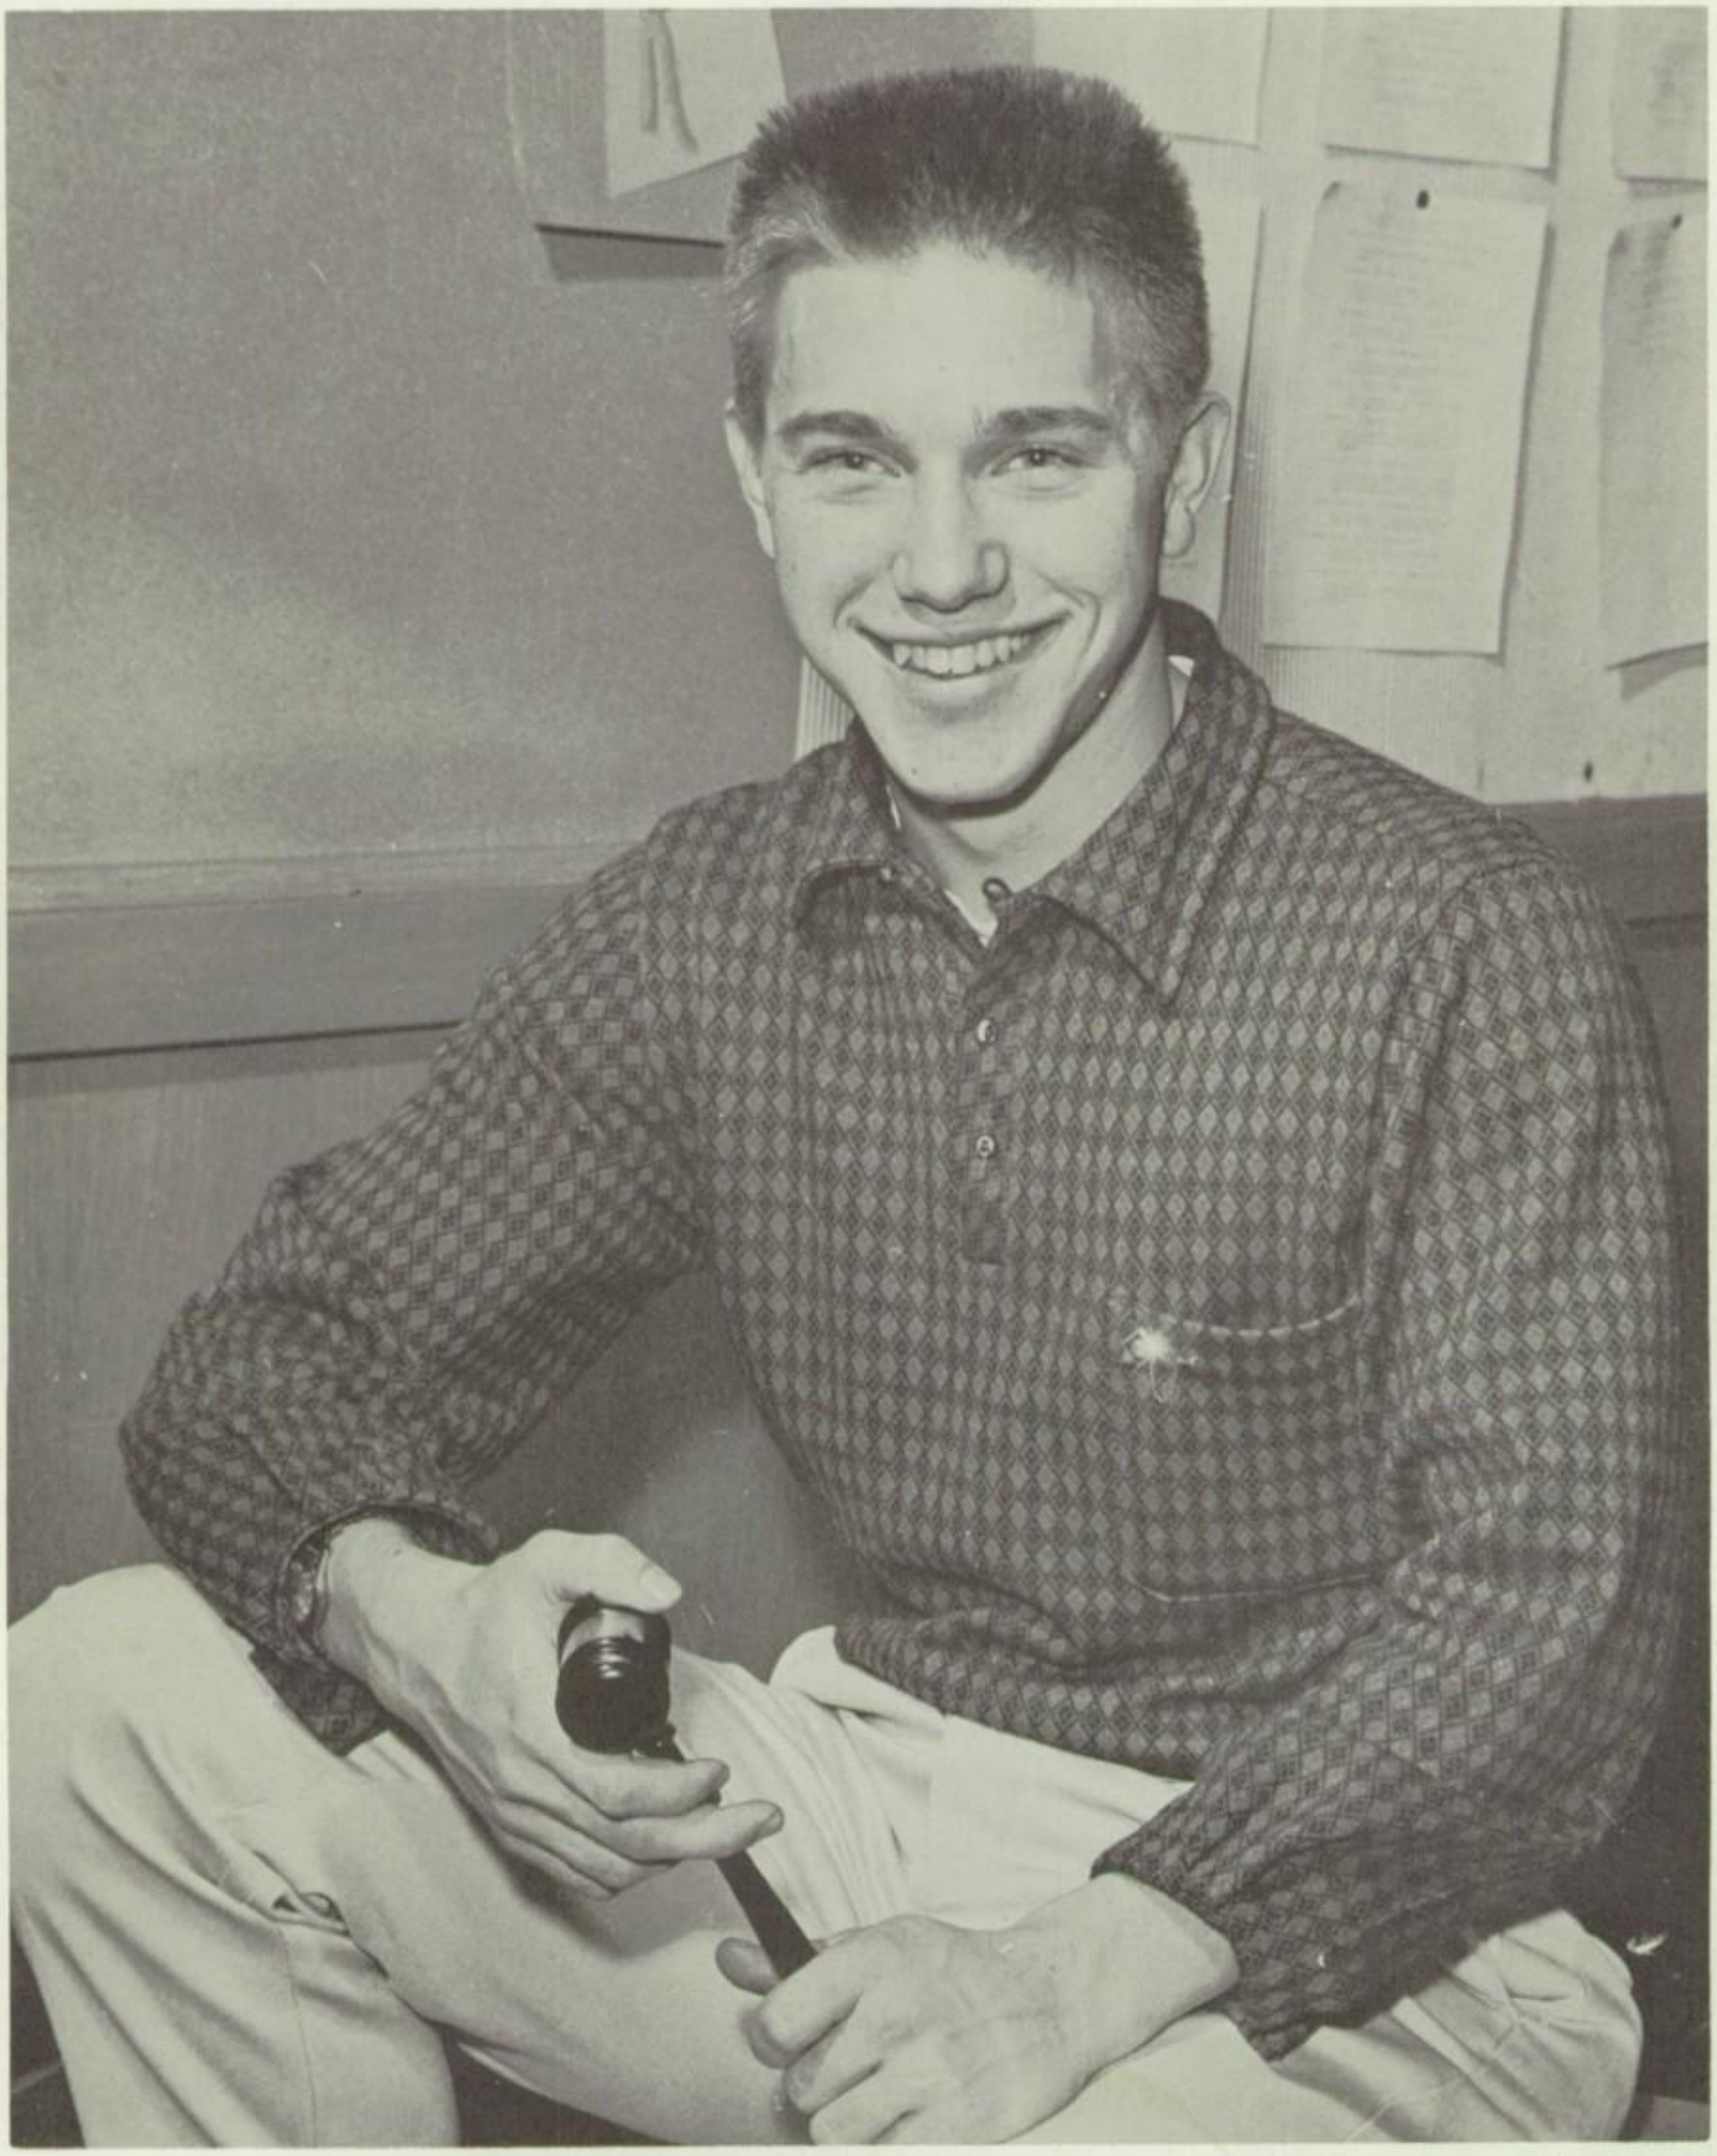
"Often the spirits of great events stride on before the events.

And in today already walks tomorrow."

(Act V, Scene I, The Death of Wallenstein)

Fall Student Body President



I really cannot say how much the opportunity of being your Student Body President has meant to me. It is different from anything else I have ever known. I would like to thank all of those who helped me while I was in office. The cooperation which I received from the cabinet, student body, and the faculty was greatly appreciated. In leaving Franklin, I would like to leave you with this one important thought: It is your ideas that count around Franklin. If you have an idea or suggestion that should be acted upon, give it to the Executive Cabinet or any member of the Student Council. I am confident that it will be acted upon. Being your Student Body President has been one of the most worthwile activities of my life.

JOE McCRAY
Student Council President
Student Body Vice-President

Student government and participation play a very important role at Franklin High School. Under the excellent leadership of Joe McCray, the Fall Student Council representatives were able to get Franklin on its way this fall. They took on many important projects, some being: approving that all-important budget, Student Council Workshop, and the very successful "Improve Franklin Week."

KATHY HILL
Student Council Secretary

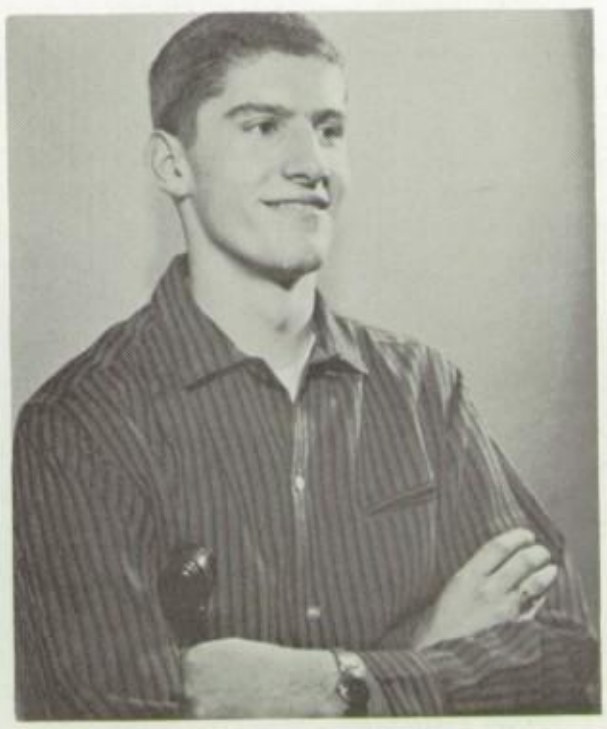
Kathy Hill had an enormous amount of responsibility and through her efficiency she helped make the many projects a huge success.

A prominent figure in school affairs during much of her high school career, JUDY CASCIATO fell perfectly into the place of Student Body Treasurer and fulfilled her duties as head of the election board and balancing the Student Body Budget.

An outstanding asset to the Student Body as an officer, our Secretary, KATSY BEEMAN, is admired and respected for her vigorous efforts in her secretarial duties and as the general chairman of our annual Candyland Dance.

Holding an office new to our student body, JERRY SCHMUNK has skillfully shown us the values of Publicity Chairman and its worthiness to our school by organizing a Publicity Staff to inform the students of important activities.

As A.G.S. President, JoANN MARTINSEN gained the respect and admiration of not only the girls, but the entire student body and faculty.



While A.F.M. President, JIM DARBY ably represented the boys of Franklin in the many school affairs.

Fall Executive Cabinet

DON KILLIAN
Senior Class President

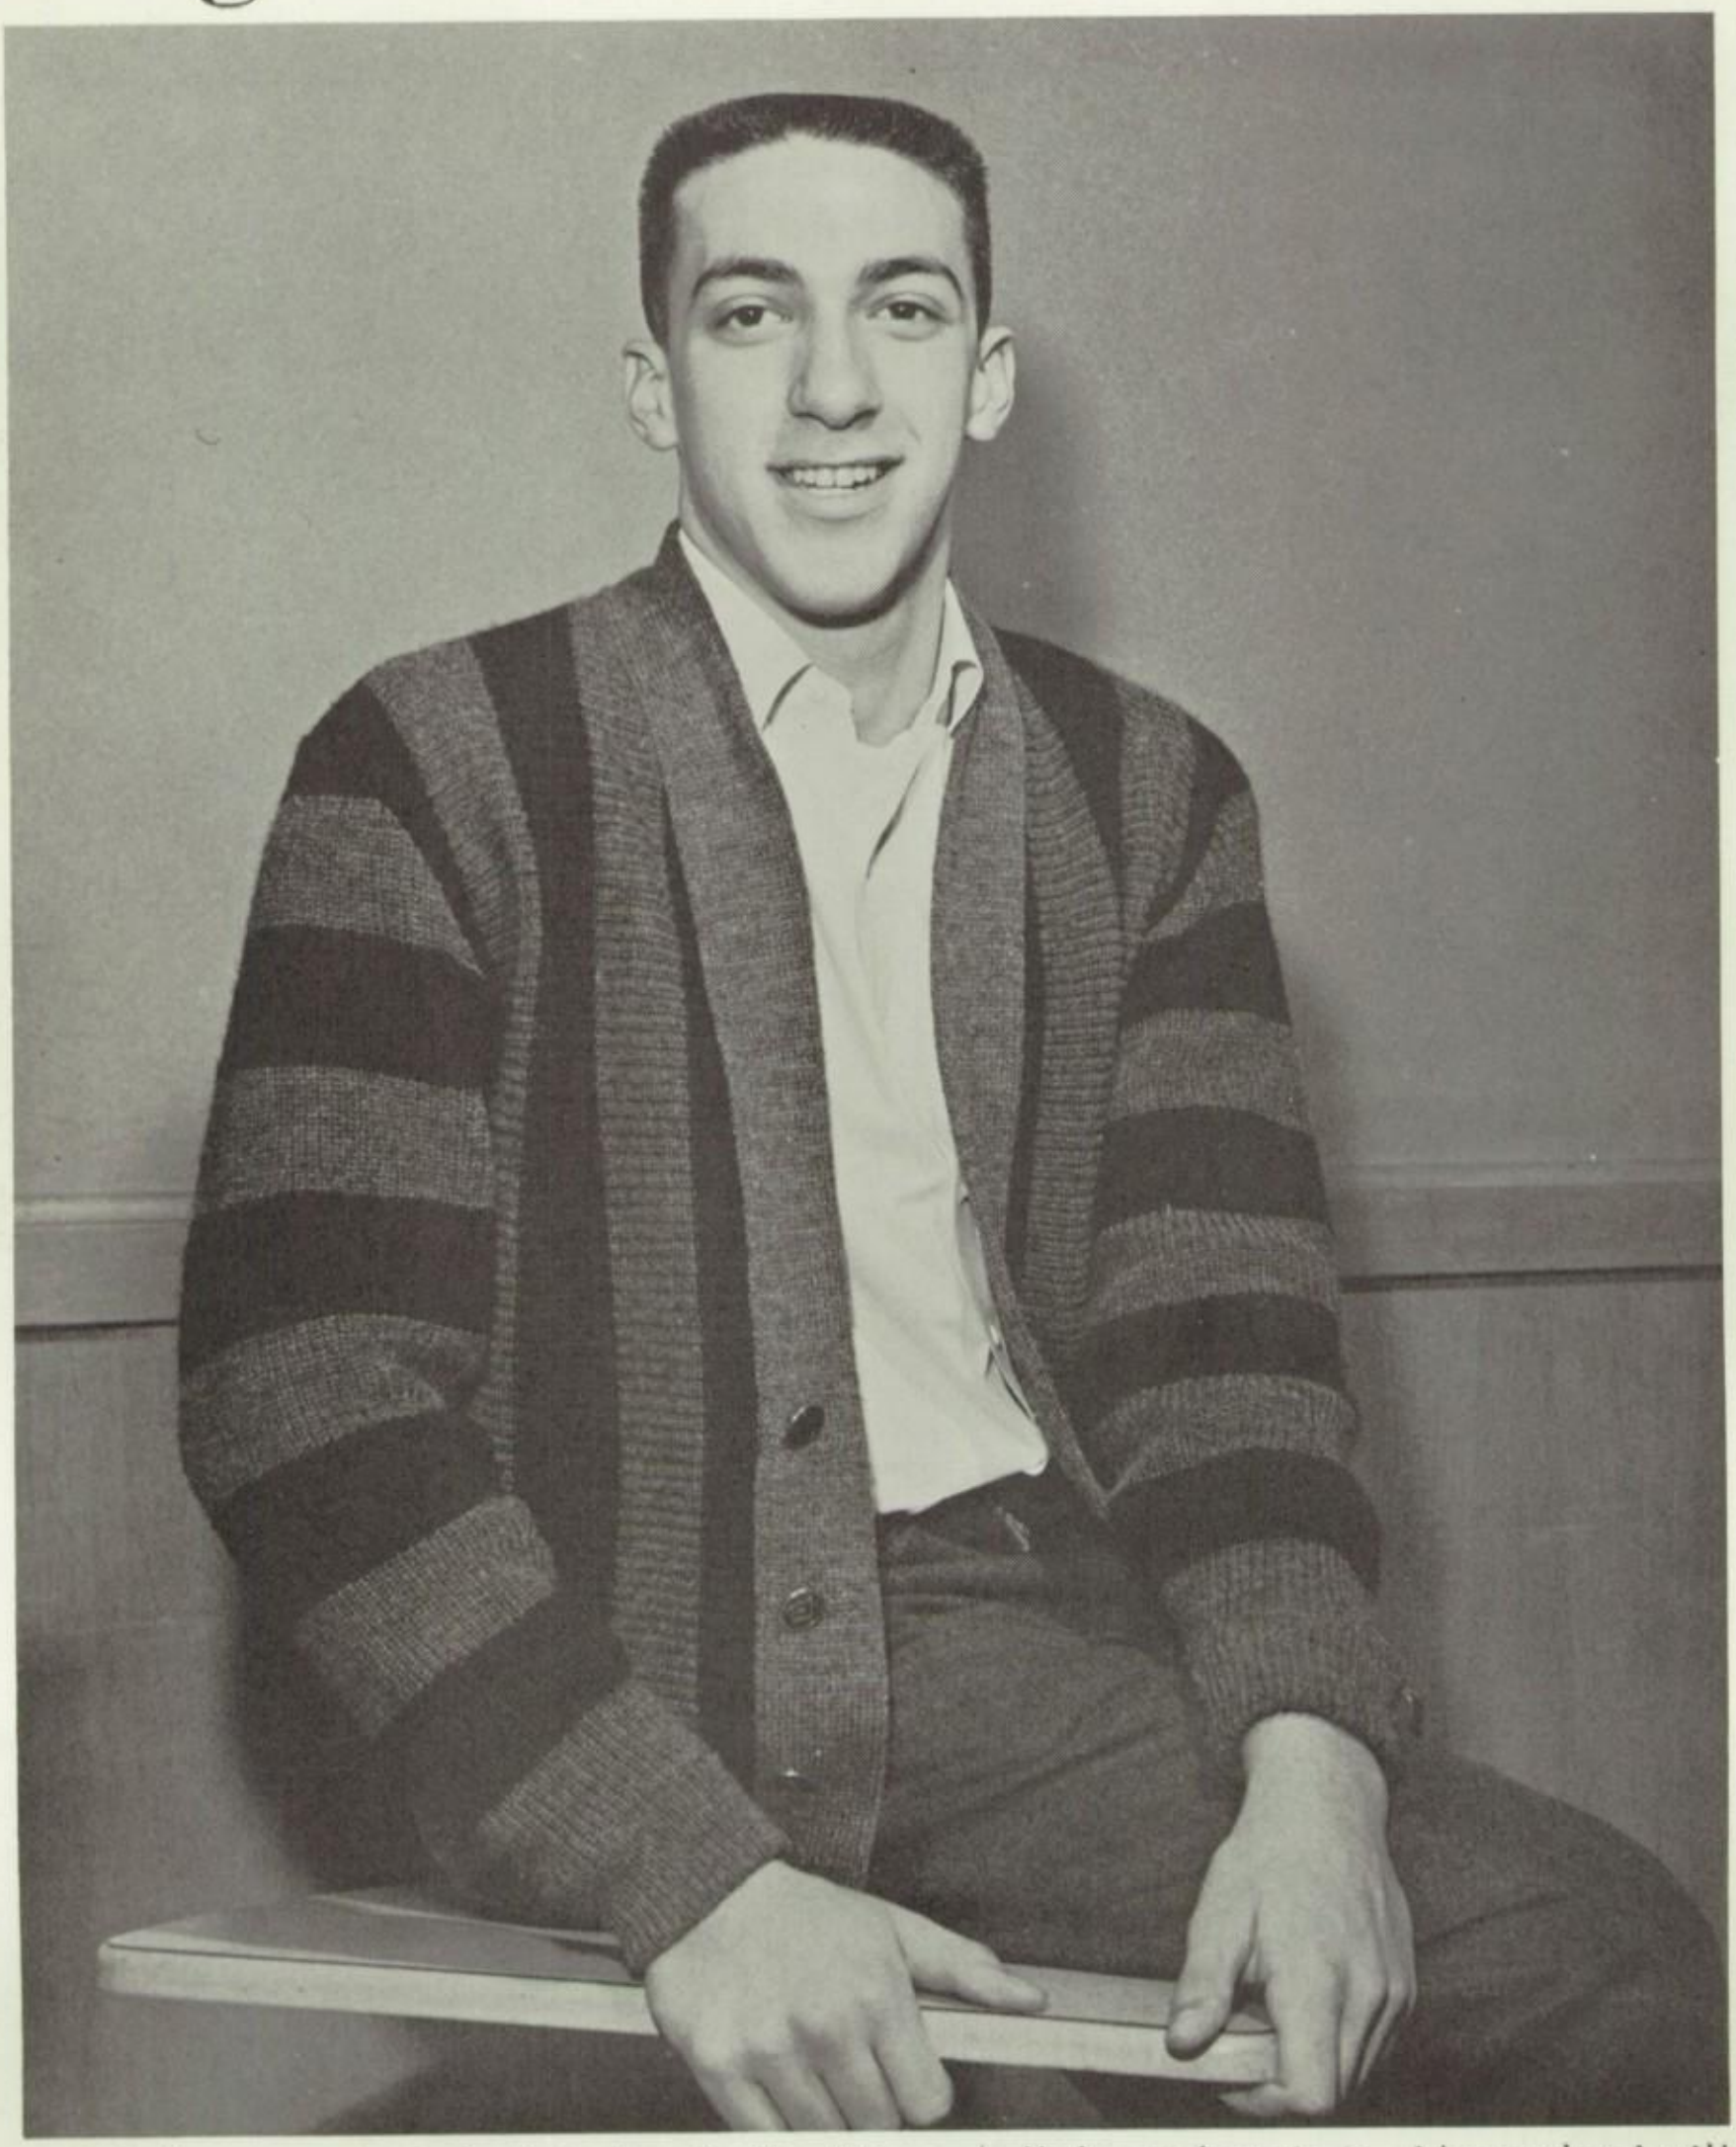
TOM THOMPSON
Freshman Class President

Under the able guidance of Mr. Donald Kearns, the fall Executive Cabinet completed a half year of truly excellent service to the student body of Franklin. Dick Fausett, Fall Cabinet President, led the members well through the first half of our school year.

L BRIDGES
unior Class President

KANDY MILLER
Sophomore Class President

Spring Student Body President



I feel a great deal of admiration for Franklin and all the students in it. I know that I will never forget the wonderful experiences I have had during the last four years--but most of all, I shall never forget the honor that you, the students, have bestowed upon me--that of being your 1959 spring Student Body President. It is impossible to put in words the honor and happiness this office had given me. We have had many activities this year, and I hope you have enjoyed them, but I also hope you learned these two things: 1. To have a successful activity you must have student participation, 2. If you have all student participation you have a successful activity. Simple, isn't it?

Student Body Vice-President

Larry Brisbee proved to be a hard worker, and with the Spring Student Council behind him, he successfully planned and carried out Say Day. His Student Council also drafted and approved rules of order for their meetings.

DORIS ALEXANDER
Student Council Secretary

Doris Alexanders' efficiency and sense of responsibility made her an important asset to the Student Council.

KIM LEE'S experience and efficiency in previous positions of this nature prepared her to carry out the duties of Student Body Treasurer as excellently as she promised.

Immaculate and orderly in her work, BARBARA KIBE performed to the best of her ability the duties of Student Body Secretary including the planning ot the annual May Fete Dance.

The only junior to win a Student Body office this spring was JANICE JENSON. We saw her strenuous efforts displayed in her successful attempts to revive the Quaker Highlights.

MARY ANN TAYLOR'S vitality and friendly spirit have won her many friends and admirers among the Franklin students and faculty while A.G.S. President.

LARRY SKIDMORE'S undying loyalty and desire to work for his fellowmen has proven him an excellent A.F.M. President.

It was highlighted by an assembly presenting Monte Ballou, and by a dance called "The Mad Hatters' Ball." The proceeds from the projects provide scholarships for deserving senior boys.

The boys also worked jointly with A.G.S. in presenting a new project called the January Jamboree, in which the money gained was divided between the two groups and the student body General Fund.

The main activities of the fall cabinet were a successful Freshie Frolic and a senior party.

Mrs. Moore has been with the class of '59 all through our high school career. We shall always be grateful to her for her dedicated work, helping us with our forecasts, careers, colleges and any problems we might have. It's very encouraging to know that a counselor who has 150 girls to supervise cares enough for each one to call her by name.

Class

Mr. Kurath, who has been with the class of '59 for the past two years, has ably assisted the boys with the problems that have arisen during the junior and senior years. He has devoted much of his time helping to make the activities of the class of '59 more successful.

KATIA IOANNIDOU
American Field Service Exchange
Student from Greece

Katia Ioannidou comes from Iraklion, Crete, a Greek island in the Mediterranean Sea, just off the coast of Greece. She graduated from a coed private school in her city, where she had won a scholarship for that school. Many of Katia's friends had come to America with the American Field Service, and she had always longed to do the same. Her dream came true on August 15, at 3:00 a.m., when she arrived at the Portland Airport. Since that time she has proven to be an interesting addition to the student body as well as a wonderful representative of her country, and everywhere she goes, new friends are made. Katia's philosophy and attitude toward the United States, world affairs, and life in general make her a very unique exchange student.

Katia has adapted well to student life at Franklin. Her favorite activities have included watching football and basketball games, talking to classes and individuals, and just "gabbing". She is very interested in our school system since Greek schools have no social life. Each year students take twelve classes, attending each one several times a week.

Here in America, Katia makes her home with Mr. and Mrs. Laurence Jacob, and their daughter, Carolyn, who is also a senior at Franklin.

The students of Franklin will never forget Katia. We wish her all the luck possible in her future career as a psychologist, and we hope she will return one day.

Watching television is a favorite pastime.

Even in America dishes have to be washed!

Pausing in front of her American home, Katia says goodbye to her friends.

Katia finds pleasure in talking to her new friends.

Mrs. Roberta Cordon and Mr. Francis Murray guided the junior class through the first confusing weeks of school. At mid-term, Miss Helen Erickson replaced Mrs. Cordon. Many of her special friends attended a farewell party in her honor. Miss Erickson assumed a difficult job forecasting for that all important senior year.

spring

The class of 1960 proved themselves to be very outstanding in class competition this year. They were the first class to hold a talent assembly for the entire student body. This major event was based on the "This is Your Life" program, featuring Mr. Manning's life. The fall cabinet, under the direction of Alan Bridges, also planned the "Cornstalk Calypso," a stag dance for all juniors. A hula hoop contest was held and prizes were given to the winners.

In the student body elections, the junior class supported Franklin by having the highest number of voters in the election. This was indeed a credit to the class of '60.

During the spring, almost all juniors were concerned with college plans and scholarships. Mr. Manning, vocational counselor, played an important role in many of the students' lives during the junior year.

Now, we are looking forward to our senior year. We only hope it is as profitable and outstanding as the junior year.

Mrs. Charlene Rideout
Girls' Counselor

Mr. George Kalman
Boys' Counselor

The sophomore class, under the guidance of Mrs. Barbara Bergeron and Mr. George Kalman, soared to new heights claiming the title of "Franklin's Proudest." In January, Mrs. Charlene Rideout replaced Mrs. Bergeron and undertook the many duties of the girls' counselor. The sophomores are very lucky to have such understanding and capable counselors to lead them through their future years at Franklin.

Class Officers

Seated: Chris Kristianson, Secretary; Jack Graham, Treasurer; Jim Towne, President; Ed Taylor, Vice-President; Dave Zumwalt, Historian.
Standing: Judy Lolley, Dick Schlosser, Geri Phillips, Ted Hartzell, Bill Bonar, Jim Marshall, Joann Butterfield, Judy Griffin, Sergeant-at-arms.

sprung

The class of '61 had a most successful year as sophomores.

Beginning the year with the very first real class competition, they defeated the juniors in a class card-selling contest and welcomed any class to challenge their title of "Franklin's Proudest."

Two dances were held during the year, the first being a joint dance with the frosh. The theme was "Ozark Halloween." A movie was held before the second dance of the year. This was something which had not been tried before by other classes. Afterwards a dance was held entitled "Egyptian Valentines Day."

Near the middle of the year, the "Sophomore Blues Review" was presented to the student body. Based upon the blues in a New Orleans night club, the talented acts proved entertaining to the audience.

The sophomores proved to be a scholarly group. More students were on the honor roll from the sophomore class than from any other class. Of this they are justly proud.

All in all, the class of '61, with it's drive, proved to be a progressive class durthe year of 1958-59.

Mrs. Marcell Maynard
Girls' Counselor

Mr. Don Peterson
Boys' Counselor

Mrs. Marcell Maynard, class of '62 girls counselor and Mr. Don Peterson, boys counselor, have undertaken a great deal in helping the youngest class at Franklin get off to a good start. Besides teaching their daily classes, they devote much of their time in helping the freshmen with the every day problems that confront them. The counselors will direct their class through their next three years, helping them to forcast correctly so that they will be a successful class when they graduate in 1962.

Class Officers

Seated: Patty Langan, Secretary; Sharon Ashpole, Treasurer; Jean Taylor, President; Tom Birch, Vice-President; Linda Graham, Historian.
Standing: Donna Crandall, Sally Schrock, Darlene Kasner, Pat Bloomfield, Howard Entrickin, Bill Scales. Erik Schlegal, Wayne Pence, Sergeant-at-arms.

spring

The class of '62 began their first year at Franklin by choosing a King and Queen to reign over the "Freshie Frolic." Keeping right on the move, they then elected their first class officers for the fall term of '58. Building up the class funds was their main goal. Having taken part in the class competition with the January Jamboree, they proved they were an up and coming class by coming in near the top. Next came elections of spring term officers and their first class party held on February 14, entitled "Cupid's Sockhop" which was a success. Setting up class policies was their next goal to be carried out through their remaining years here at Franklin. Their talent being the "Hi Fi's" who proved themselves worthy of this title by singing for various student body affairs and always being a hit. The class officers undertook the project of encouraging participation and promoting enthusiasm. Following through with this busy schedule, they began their work and plans for a successful coming year.

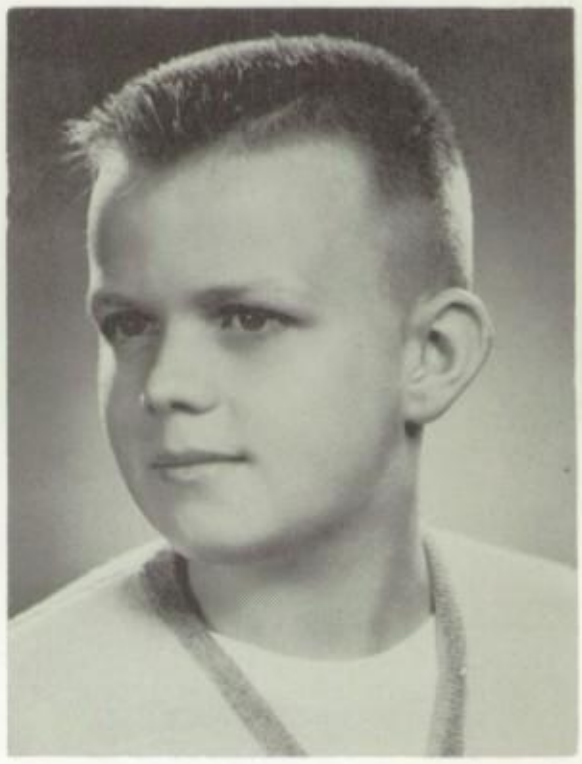
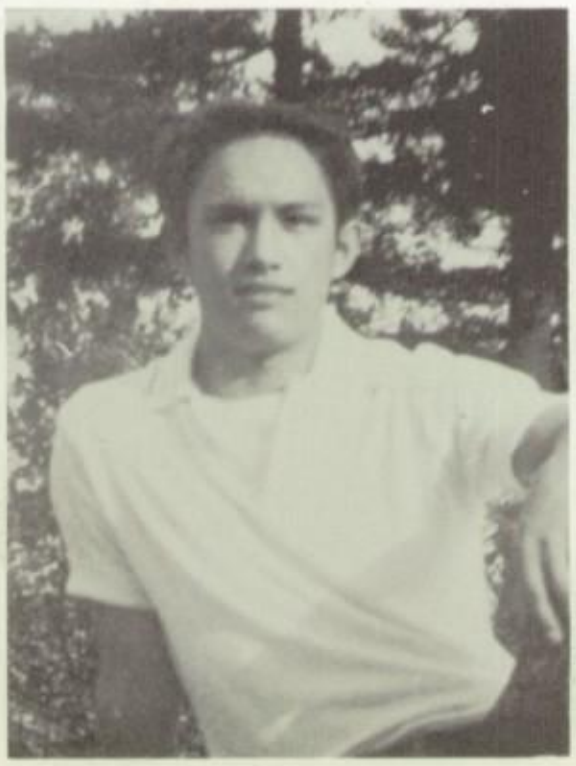
in memoriam...

Diane Eby, a graduate of Joseph Lane and a fifteen year old sophomore at Franklin, died October 22, 1958, of a fatal accident. She was a very shy girl, but had a pleasing smile for everyone. We know that she will be remembered by her close friends for her sincerity and accomplishments.



Larry Arnason was a member of the class of 1962 and a graduate of Kellogg grade school. Even though he was only a freshman, he had already proved himself a loyal Quaker. Larry was very interested in scouting and it was on a Boy Scout trip in December that he was fatally injured.



Francisco Siapno, 16, was a graduate of Joseph Lane and a junior at Franklin. Although Cisco, as he was called by his friends, was very quiet, he possessed an inner quality that attracted people to him. He met with his fatal accident in Washington on October 24, 1958.

Queen Marilyn Rules Over First Homecoming

Radiant Queen Marilyn Soljaga and her escort, Eldon Rose.

Franklin's first homecoming game was preceeded by a dance the night before. At the dance the homecoming court, consisting of a princess from each class, was presented. The Quakers this year instead of applying the traditional "T" formation are applying the single wing under the guidance of the new mentor Dutch Kawasoe. Sparkling play by Steve Corno on offense and Bull Blake on defense could not keep back the surging Colonials as they scored a 18-0 victory.

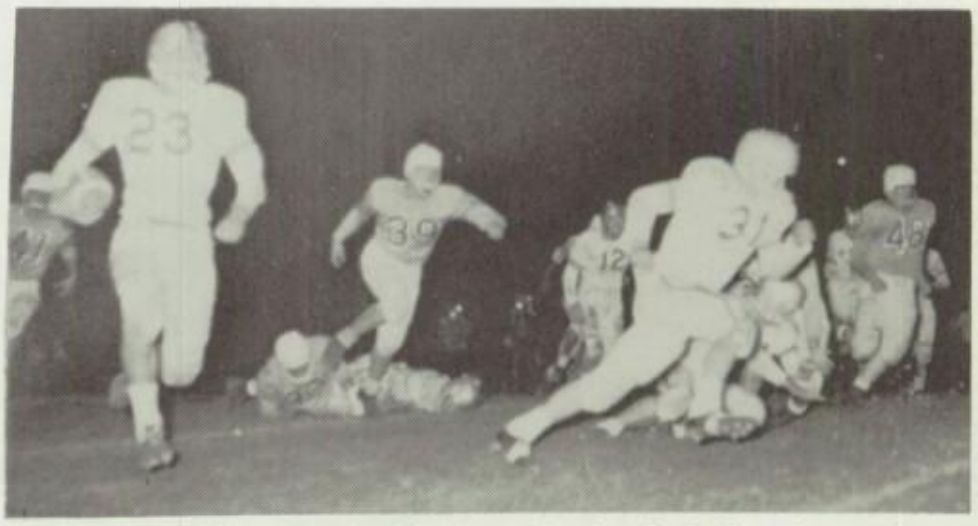
Three unidentified Quakers are trying to pick up much needed yardage.

Grant: An unidentified Quaker along with the assistance of Steve Corno bringing down a General for a 3 yard loss.

Madison's strong defense set up two first quarter scores and contributed to others. The lone Quaker touchdown was set up by Craig Bakken on a 45 yard kickoff return to the Senator #30. Three plays later Jack Fawcett threw 15 yards to Lynn Hewitt for a touchdown. Madison scored twice in both the first and second quarter and then didn't penetrate inside the 20 yard line. The final score was 20-6.

Tailback Jack Fawcett and Steve Corno led Franklin to its shutout over Grant. Both TDs came on passes from Fawcett, 15 yards to Lynn Hewitt and three yards to Mert White. Corno returned a kick 25 yards and ran the reverse for gains of 30, 25, and 15 during the game. Fawcett had a good passing night with a better than .500 average.



Madison: Following the blocking Gordon LaBelle, Steve Corno romps for much nedded yardage.

Jack Fawcett tries to find running room as two Lincoln defenders move in.

Lincoln scored a decisive 27-6 victory on a big 19 point second quarter. Tom Black scored the lone 6 points for Franklin on a 2 yard buck.

An interception by Lynn Hewitt enabled Franklin to gain a 26-20 victory over the Techmen. The interception came with 20 seconds left in the final quarter with the score tied 20-20. Benson was ahead 20-6 with less than eight minutes left to play. Gordon LaBelle scored twice on two and one yard plunges while earlier Corno had a forty yard run for the other score.

Benson: Finding a hole opened by the Quaker line Steve Corno breaks into the open.

Cleveland: An unidentified Quaker ball carrier is being tackled while Gordon LaBelle looks on.

A quick surprise caught Cleveland and most of the fans off quard as Gordon LaBelle raced 68 yards on the second play of the game to score. Norm Patera ran for 5 touchdowns for Cleveland as they racked a 34-14 victory. The other Quaker touchdown was a one yard plunge by Steve Corno.

Jefferson

The number one team in the state showing all their ability, thoroughly out classed the Quakers 48-6. The only real offensive feat was a 75 yard run by Steve Corno for the only Quaker score. It was a matter of too much speed in the Jeff. backs and a powerful line which opened up the holes.

Jefferson: Dave Spire is momentarily in the clear but is stopped for a short gain.

Roosevelt: Bill Blake is about to pounce on a poor Roosevelt ball carrier.

Fumbles and pass interceptions led to a 31-12 shellacking by a tough Roosevelt squad. The Quakers turned to the air more than usual and had two critical passes intercepted for touch-downs. Fumbles also helped the Teddies. A combination of Steve Corno passing to Lynn Hewitt accounted for the Quaker points. The passes covered 42 and 25 yards respectively.

The Quakers wound up the season on the losing end of the string. Wilson's sophomore John Burton scored twice to lead them to a 19-6 victory. Lynn Hewitt intercepted a pass in the end zone and ran it out to the 38 yard line. Gordon LaBelle capped a T.D. drive with a 30 yard run

The Cross Country team, composed of 4 seniors and 3 juniors ended the season by taking fifth place in city and fourth in state. The Quakers were led by Dick Fawcett, Phil McMahon, and Ray Bunnell, but due to lack of depth we were unable to capitalize during the city and state meets. One reason for the improvement of this year's team was the patience and determination of the new coach, Mr. Scheele.

Tom Birch and Lonnie Hays, both freshmen, were brought up to JV during the middle of the season. Tom Birch, along with Larry Godeck, were dangerous inside shooters. Four happy Quakers: Jack Fawcett, Mr. Peterson, Jerry Bergstrom, Paul Davidson.

Remaining clam throughout the season despite the heartbreaking losses and thrilling wins, Don Peterson's disciplinary and inspirational coaching carried the Quakers through a rocky season. He often showed his knowledge of basketball by the strategy he used during the season and while at state. A state tournament berth and a championship showed his determination and willingness to work through the season. This concluded another successful season for a great coach.

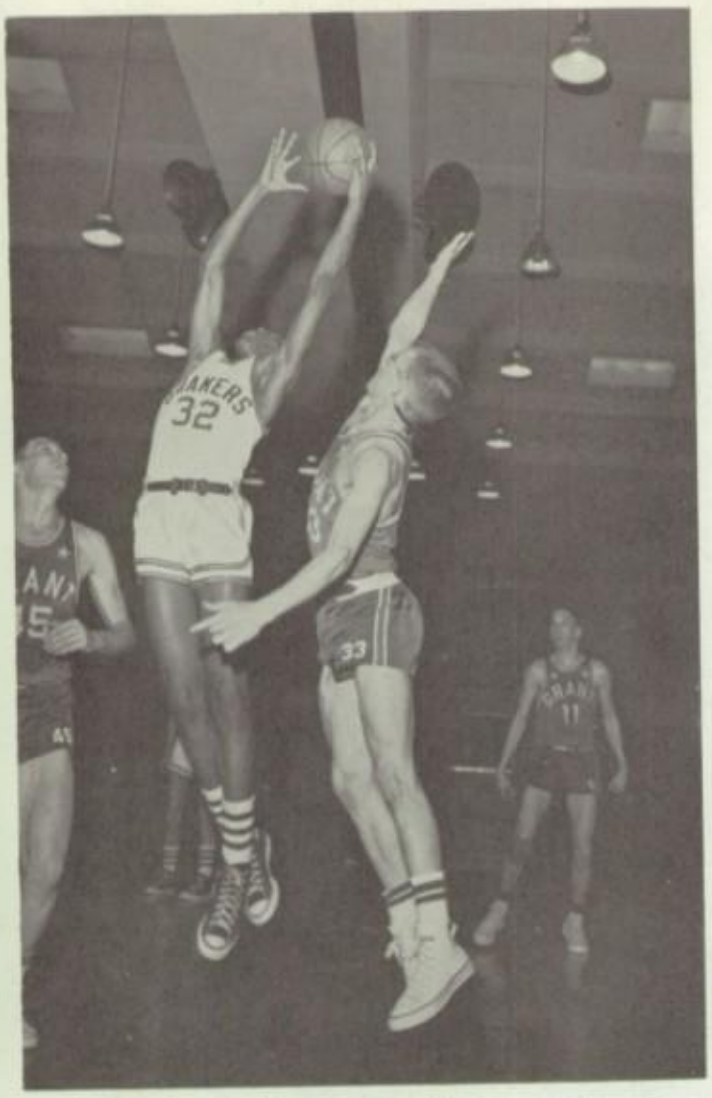
STATE TOURNAMENT

Unrated QUAKERS Take State !



Steve Jones clears one of many rebounds during one of his best performances during the season. The Quakers beat the Generals 50-45 in a playoff game, for the final state berth.

The unrated Quakers, who had to win a playoff to squeeze into the state tournament, won Oregon's 1959 A-1 High School Basketball Championship. The Quakers rose from the PIL's second division to beat Grant in a playoff game by 45-40 and to capture Portland's second berth, the first one going to Jefferson.

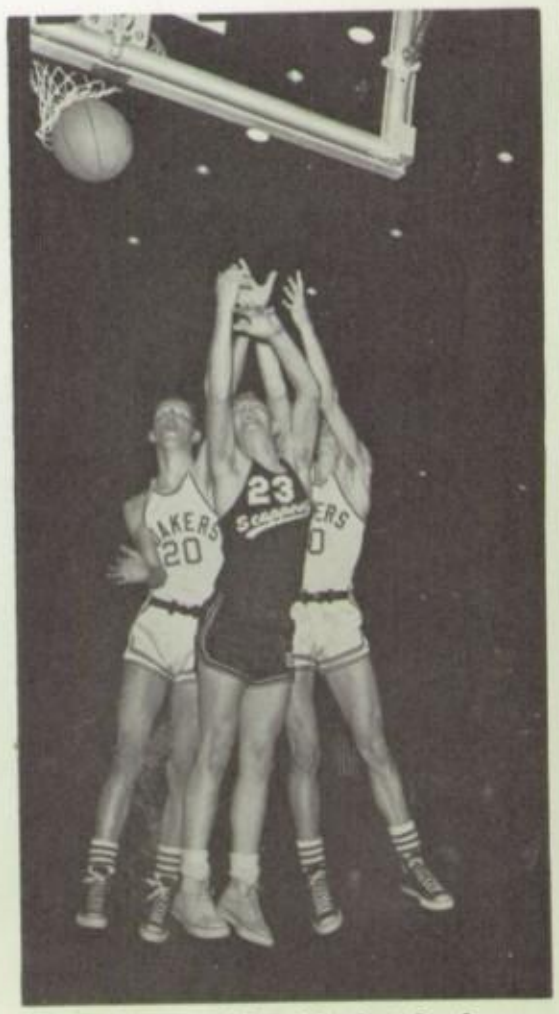
Playing Scappoose in the first game of the tourney, the Quakers beat the Indians 62-42. At the half, the score was 21-20, Franklin, and the game remained close until Paul Davidson swept ahead and enlarged the lead until the final buzzer. Franklin shot .421 to the Scappoose .302 under Bergstrom's 9 of 18 field goals attempted.

Beaverton, playing the same tight zone defense as Franklin, didn't work it as effectively as did the Quakers, and as a result lost 50-45. With a high average of .411 to a .278, Franklin rose from a third quarter 37-36 deficit to topple the Beavers. Paul Davidson sank 4 of 4 field goals for a perfect average and broke the individual state tourney record for a shooting percentage during a game.

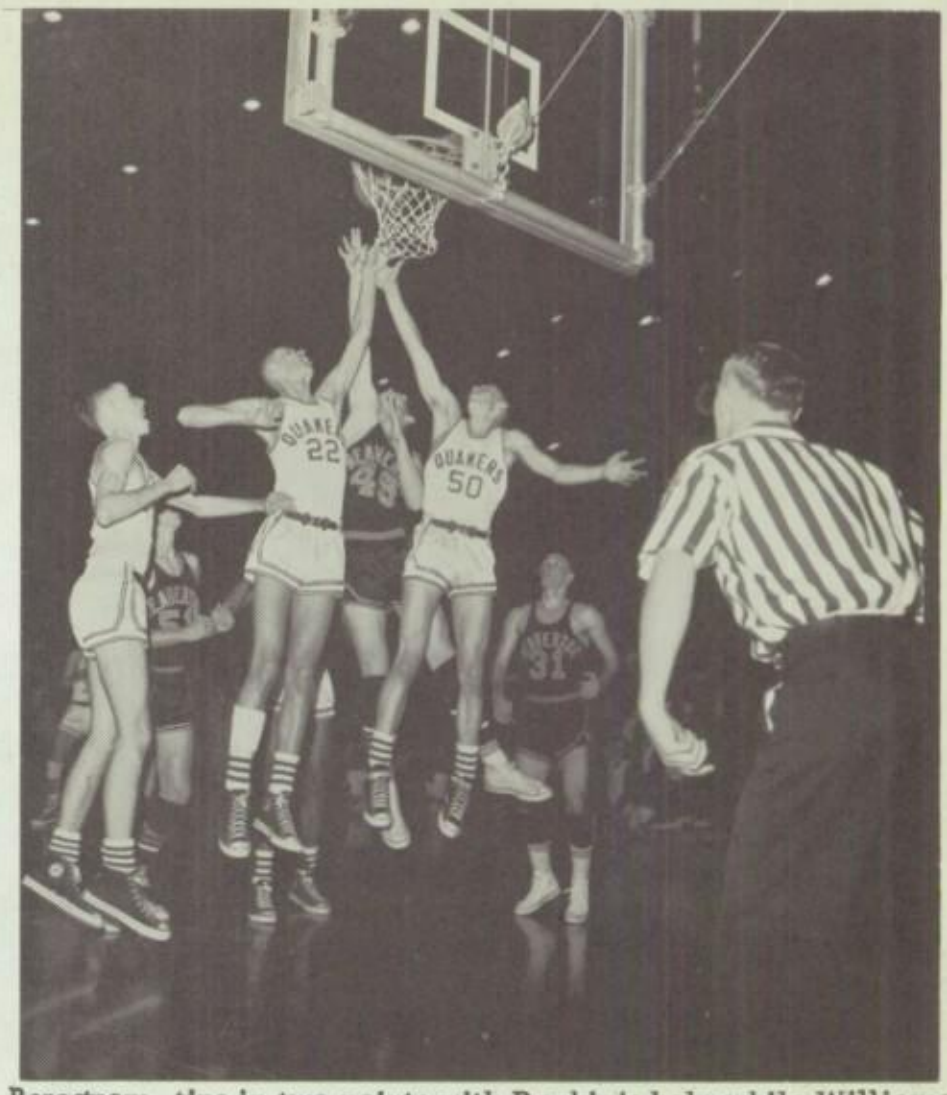
Captain Jack Fawcett made a sweeping half hook with two seconds left to beat Pendleton a thrilling 49-48. Rebounds were 37-24, Franklin, with Jones, the unsung hero of the tournament, taking twelve. With a .333 average, the Quakers smashed into the finals.

In the final game, Marshfield's Pirates were sunk 58-52 by Franklin's squad, despite the Pirates' Mel Counts, who proved himself of all state caliber by pumping 33 points. Steve Jones counting points kept Marshfield from rallying. At the final buzzer, the Quaker fans did their trademark "Satisfied" yell before coach Peterson's team and the impressed crowd.

And the tournament begins for the Quakers! Jerry Bergstrom sends the Quakers on their way as he controlled the opening tip. Other Quakers starters are Roger Williams, Steve Jones, Steve Rankin, and Jack Fawcett.

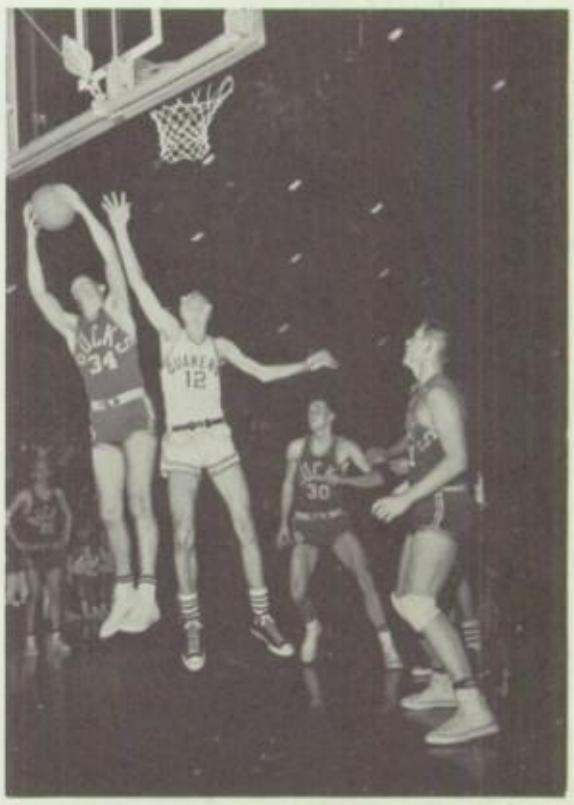


Davidson and Rankin battle for rebound with lone Indian. The Quakers won 62-42 on a fourth quarter outburst.



Bergstrom tips in two points with Rankin's help while Williams looks on. In a close game the Quakers came out on top 50-45.

Bergstrom is surrounded by Jones and Williams, plus four Beavers.



Williams tries vainly for rebound.

"I shot and prayed" said Jack Fawcett happily after his game winning shot. Final score was 49-48.

Welcome Back, Dr. Erickson!

On behalf of the student body, Roy presented Dr. Erickson with his official back to work medal.

After a two month trip to Europe, our principal, Dr. Kenneth Erickson, returned to find the entire Student Body and a crew cut to greet him. Before Dr. Erickson left for Europe, he promised to get a crew cut if Franklin made a good showing at the State Tournament. Because the Quaker team succeeded in capturing the Championship, Dr. Erickson was escorted by the team to a neighborhood barbershop where he again became our crew cut principal!

TWO GREAT GUYS!--Mr. Peterson, Quaker basketball coach, welcomed Dr. Erickson with news of the State Tournament.

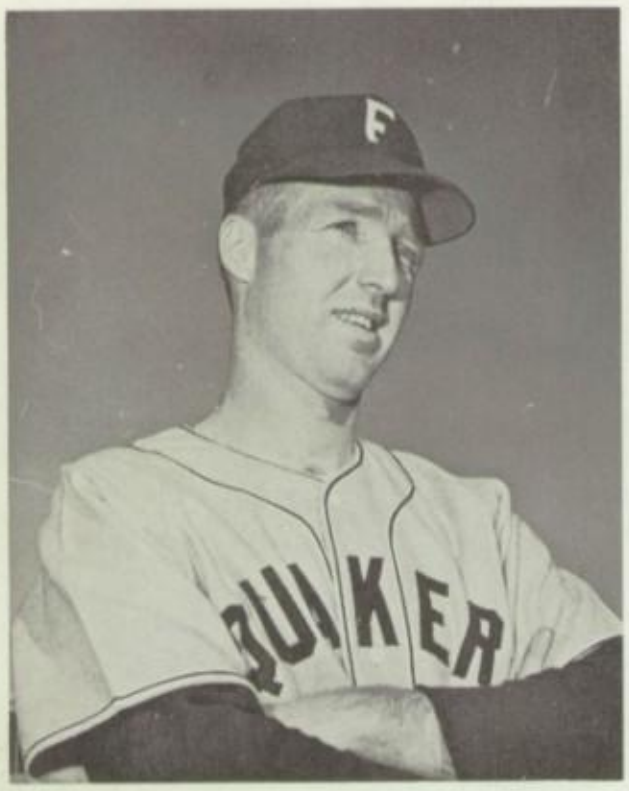
VARSITY BASEBALL



Mr. Gary Jackson
Varsity Baseball Coach

This year's baseball team has compiled a 6-3 record and are tied for second place. The downfall of the team has been poor fielding. Errors have directly resulted in the loss of two games. The hitters have provided enough power to win and pitchers have been stable but too many errors have resulted in an average season. Cecil Ira has carried the pitching load, winning five games while losing only one. Chuck Stronach is currently leading the PIL hitters with a phenominal batting average of around .500. Injuries have plagued Bill Blake, veteran catcher. His hitting and ability to handle pitchers handicapped the team during his absence A pleasent surprise has been the hitting of sophomore, John Summers. Coach Jackson during his first year at the helm has kept Quaker hopes alive for a city championship.

GIRLS' TENNIS TEAM

After winning two matches from Cleveland and Roosevelt without any losses, the girl's tennis team is optimistic about their future. With still seven teams to play at the time of publication, their position in PIL is not known. Both J.V.'s and Frosh have a quantity of good field eventsmen, plus determination and hard working habits. With many Freshmen, sophomores, and juniors, all ready running varsity, Franklin should have good teams in the future.

The boys golf team had a relatively rough year. The team was comparatively good but lacked the depth necessary. The team lead by Carl Kuehne and Thorn Clement, was willing to do a good job under the guidance of Mr Medici. MY PRAYER

God grant that I may live to
barber until my dying day.
And when it comes to my last
customer, I then most humbly pray,
That I will then in top form be,
To do the work he wants of me.
For this last task of mine on earth,
Must be as perfect as my first.
